CRIMINAL NO. CCB-21-294

**ORDER**

On this date, the Court reviewed the Government's Consent Motion to Exclude Time Under the Speedy Trial Act. Based on the representations set forth in the Government's motion, and with the consent of Defendant Joseph Farace, it is ORDERED on this the 11th day of October, 2022, that the Government's motion is GRANTED.

It is further ORDERED that all time from September 9, 2022 through and including October 28, 2022 is excluded in computing the time in which the Defendant's trial in this case shall commence under the Speedy Trial Act.

In addition, based upon the representations in the Government's motion, the Court FINDS that the ends of justice served by taking this action outweigh the interest of the public and the Defendant's right to a speedy trial. Factors considered by the Court in granting this motion include the potential for pre-trial resolution. Given this factor and others, the Court FINDS that it is unreasonable to expect counsel to prepare for pretrial proceedings or trial within the time limits established under 18 U.S.C. § 3161.
